FOR IMMEDIATE RELEASE

Software Corporation International Appoints D. Keith Sides Chief Operating Officer

CHARLOTTE, NORTH CAROLINA, March 12, 2007 --- Software Corporation International (SCI) announced today that D. Keith Sides was appointed Executive Vice President and Chief Operating Officer (COO) at the Company's March 12, 2007 Board of Directors meeting in Charlotte, N.C.

Mr. Sides, 50, joined SCI in 2000 as Vice President of SCI's Financial Services and Item Processing Group and was elected to be on the Board of Directors. Most recently, he served as Group Vice President, where he was responsible for the company's payment systems and software direction. In his new assignment, Sides will report to Thomas S. Rohrer, President, SCI.

"Keith has an outstanding track record at SCI for growing the business while providing sound counsel and innovative thinking," said Rohrer. "As COO, he will be responsible for day to day operations of the company and development of strategies which support SCI's goals and objectives. With more than 28 years of technology and management experience, Keith will continue to be a key member of SCI's executive management team. I am confident that he will excel in his new role and provide benefits to our clients and associates."

Prior to joining SCI, Mr. Sides held various sales and executive positions with Unisys Corporation, Broadway & Seymour, and Recognition Equipment. Sides holds a BSBA degree from Appalachian State University and an AS degree in engineering from Wingate University. Sides is a life-long resident of Concord, N.C.

About SCI

Software Corporation International (SCI), headquartered in Toledo, Ohio, was incorporated in 1990 and is one of the world's largest and most experienced providers of CPCS and Central Capture expertise and solutions to the financial services markets. Earlier this year, SCI announced that it had entered into an Agent relationship with International Business Machines (IBM). Under this agreement, SCI has sales, installation, and support responsibilities for the IBM Payment Systems Group.
